Please note Services marked **S** we plan to Live Stream via Facebook – ‘Parish of Whitton’ Facebook Page. These will also be open for attendance, observing Social Distancing rules and the compulsory wearing of masks. We are still unable to sing in person in the church building (with exception of the choir) however there will be the familiar carols and music.

Please do not just turn up, it is vital that places are booked by telephone with Pam Neesam 01473 257723. As we are so limited this year in numbers we are able to accommodate we would respectfully ask that if you book a place you come along unless illness prevents this, and that you do not book a place ‘in case’ you feel like it at the time.

This is not the way any of us would like this to be, and ‘booking’ a place is as alien as it can be from what is right, however the difficult circumstances means we must do so to keep everyone safe.
