

Whitton Times Christmas 2025

Church in Community

"Welcome to Whitton Times, a blend of Church and Community, a magazine from us to you".
We hope you'll find it helpful .

What is church anyway and why might I go?

There is an invitation used sometimes in church when we share bread and wine that for me says all you need to know about the 'what' 'who' and 'why' of church, it goes like this.

Come to the table of plenty!

We come to this table not because we must but because we may, not because we are strong, but because we are weak.

We come not because any goodness of our own gives us a right to come, but because we need mercy and help.

We come, because we love the Lord a little and would like to love him more. We come, because he loved us and gave himself for us.

We come to meet the risen Christ together, for we are his Body.

The church is a gathering of people old and young, rich and poor, broken, wounded, downcast and joyful, flourishing and content, tired and lonely, seeking community, seeking God and just seeking to be a little more whole and wholesome. What do we hold in common? On a good day, the simple conviction that we are deeply loved for who we are by a God who cherishes us whatever and however we are and we want to be thankful for that. On a not so good day we come to be reminded of this. We come to find hope, peace and purpose within a family of faith that can laugh and cry together, walk with one another and know that sometimes we will get it right and sometimes we will be way off the mark, but we will keep trying because God keeps loving us. We come to get to know God better, for praise and worship and then to be sent into his world in loving service to those around us to whom we are his hands and his feet and his eyes that look with compassion on the world. We come to church to get to know better the one who made us and loves us and to find a relationship with the God of love. We come at good times and most importantly the not such good times to find a little of the peace of God which passes all understanding.

We are coming up to the season where we celebrate all those who have gone before us, the season of Remembrance. Then we arrive at Christmas and the birth of the Son of God in human form, the gift God gave us so we could know him better and see in that great act of love the wonder and innocence of a baby, pure and gentle and whole. Later in his life Jesus tells us that he has come that we might have life and have it in all its fullness. So, we come seeking to know Jesus a little better for ourselves and find a personal relationship with him and find that promise for ourselves to have life in all its fullness as is his deepest desire for us.

All our services for the coming season are listed in this edition of Whitton times, please come and join us, this motley crew of Christians at St Mary and St Botolph Church, where you will find a warm welcome... and usually cake.... as together we seek to find and experience that promise of life in all its fullness!

A message from our Schools and Children's Liaison Worker based at Whitton Parish Church.

It has been a very busy start to the academic year for us with lots of preparations for our upcoming schools events. The first of these was our first **Open the Book** assemblies which took place on the 14th October. We delivered the assembly in both Castle Hill and The Beeches where we had audiences of mainly Key stage 1 children but also some Reception and year 3 children. We performed the story of Noah's Ark and the children enjoyed joining in with us. We were very lucky to have an amazing ark, rainbow as well as some beautiful animals made for us by volunteers. The children were very impressed by the fact that the Ark and rainbow slotted together for the end of the story! Our Open the Book team very much enjoyed the first assembly and are really excited to start rehearsing for our next one which will take place in December.

We are also very busy preparing for **Experience Remembrance** which will be taking place during the week of the 10th November. We are really looking forward to welcoming year 6 pupils from three schools into church to explore and reflect on some of the themes of remembrance.

We could not run these projects without the support of many amazing volunteers! If you would like to volunteer at our next experience event or are interested in joining an Open the Book team I would love to hear from you.

There are lots of ways you may qualify to be married in a Church.
That you do not have to attend church to do so.

That it usually costs less to do so than at other venues.

You can have a range of music not necessarily religious,

Each wedding is unique to the couple & can have many special
moments and elements.

We have a stunningly beautiful church to be married in so why not have a chat and
look round?

Contact Mrs Angela Marjoram 07950 086135 for a visit and friendly chat.

10th Ipswich Scout Group Camp in Switzerland

Following a very busy summer we resume our weekly activities with a packed Autumn program from September through to December. We have trips, camps, visits, games, skills challenges, cooking and eating and all that goes with enjoying a full Scouting experience.

Our youngsters start at age 4 in Squirrel Scouts and progress right through Beavers, Cubs, Scouts and Explorers to age 18.

This summer we jumped aboard a coach and set off for Scout camp in Switzerland and a great time was had by all. We mixed with Scouts and Guides from all over the world and enjoyed visits to Kandersteg, Berne, Adeboden and more. The pic is our Alex bathing in mud from a mountain top glacial lake at Oeschinenessee.... Wonderful memories

We would love to welcome more adult help to our younger sections so that we can add more youth to our register. If you know of anyone who would like a new hobby, enjoy working with children, accept free training and escalate their feelgood times, then contact us.

Message to Kevin.bean@wolveyscouts.org.uk for a chat. New youth member enquires can also be sent to this email address.

Advent Did you know.....

Advent is a Christian season of preparation and anticipation for both Christmas and the [Second Coming of Christ](#), which begins on the fourth Sunday before Christmas. The word "Advent" comes from the Latin word for "coming" or "arrival". It is the start of the Christian liturgical year and is a time for reflection, hope, and prayer, often marked by events like lighting Advent wreaths or candles and using purple as the traditional colour.

A poem to think about before any Christmas Indulgence!!

This morning I decided I must diet.
None of last years summer dresses fit.
I had a bowl of cereal for breakfast,
With milk and sugar - just a little bit.
A piece of buttered toast without a topping.
I read all the ingredients on the lid.
I took no sugar in my teas and coffees,
But that won't help, because I never did.

At dinnertime I had just one potato,
A big one, but I cut it into three,
Some steak and kidney pie, but just a small piece,
Then little Brussels sprouts - enough for me.
The family all ate spotted dick and custard,
But I could only look at it and dream.
I knew a slice of that would be too fattening,
So I just had bananas - and ice cream.

When teatime came I only had a sandwich.
Well - two because I hate to see food waste.
The bread's not really buttered. It's pretend spread!,
And I'm sure there's not much fat in kipper paste.
I haven't really eaten much between meals.
A Mars bar and some biscuits with my tea.
I finished up some toffees in the evening,
But I assure you that's not much for me.

Now I must have something with my night-cap.
If I'm hungry I won't sleep, for goodness sake!
I wonder what there is that I can nibble,
I know! I'll finish up the chocolate cake.
So that's the end of my first day of diet.
It wasn't worth the worry and the stress.
I've got a better notion for tomorrow,
I'm going out to buy a bigger dress.

Some Christmas facts.....

How did 25th December become Christmas?

December 25 was the traditional date of the winter solstice in the Roman Empire, where most Christians lived, and the Roman festival Dies Natalis Solis Invicti (birthday of Sol Invictus) had been held on this date since 274 AD. In the East, the birth of Jesus was celebrated in connection with the Epiphany on January 6.

The first ever Christmas tree wasn't a tree at all, it was in fact made of dyed goose feathers and came from Germany. **In 1843 the first Christmas card** was produced and sent by Sir Henry Cole.
